Define Problem Statements (Customer Problem Statement Template):

Students frequently encounter challenges while understanding difficult subjects, preparing for examinations, summarizing lengthy study materials, and following structured learning paths.

Traditional educational systems lack intelligent personalization and do not provide adaptive learning assistance.

EduGenie solves these issues by leveraging Generative AI to provide:

- Intelligent Question Answering
- Concept Explanations
- Quiz Generation
- Educational Summarization
- Personalized Learning Recommendations

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A student preparing for exams	Understand complex concepts and improve learning efficiency	I do not receive instant educational guidance	Existing platforms lack intelligent AI assistance and personalization	Confused, stressed, and less confident during studies
